Important Points

3

- The number of copies is as follows: **(BDS-ITB 20.1)**
 - **Technical Bid:** one (1) original, two (2) copies and one (1) soft copy (USB)
 - **Price Bid:** one (1) original and one (1) copy and one (1) soft copy (USB)

The bid validity period shall be: **180 calendar days. (BDS-ITB 18.1)**

- The language of the Bid is **English** or **Portuguese. (BDS-ITB 10.1)**
- A **Bid Security** is **required**. The amount of the bid security is: **(BDS-ITB 19.1.)**

TENDER/170/MOP-2024	TENDER/174/MOP-2024
US\$ 37,000.00 (Thirty-three Thousand United States Dollar)	US\$ 27,000.00 (Twenty-Seven Thousand United States Dollar)

The bid security shall be valid **twenty eight (28) days beyond** the original validity period of the bid, or beyond any period of extension if requested under **ITB 18.2**

Important Points

- **The Technical Bid shall contain the following (ITB 11.2) :**

- a) Letter of Technical Bid;
- b) Bid-Security, in accordance with ITB 19;
- c) alternative Bids, if permissible, in accordance with ITB 13;
- d) written confirmation authorizing the signatory of the Bid to commit the Bidder, in accordance with ITB 20.2;
- e) documentary evidence in accordance with ITB 17, establishing the Bidder's qualifications to perform the contract;
- f) Technical Proposal in accordance with ITB 16; and
- g) any Declaration by the bidder, under oath, of unconditional acceptance of the bidding document in accordance with letter of technical bid; document required in the BDS.
- h) Declaration by the bidder, under oath, that he is not prevented from participating in the procurement procedure in accordance with letter of technical bid;
- i) any other document required in the BDS.

- **The Price Bid shall contain the following (ITB 11.3):**

- a) Letter of Price Bid; and
- b) completed Bill of quantities, in accordance with ITB 12 and ITB 14;
- c) alternative price Bids, at Bidder's option and if permissible, in accordance with ITB 13
- d) Note justifying an abnormally low bid price, when the price presented in the bid is abnormally low, an abnormally low price is the price that does not reach 70% of the value of maximum budget;
- e) any other document required in the BDS.

Important Points

- The prices quoted by the Bidder: **shall be fixed**; i.e. not subject to price adjustment due to rise or fall in the cost of labor, goods and other inputs to the Works. **(BDS-ITB 14.5)**
- All duties, taxes, and other levies payable by the Contractor under the Contract, shall be included in the rates and prices and the total Bid Price submitted by the Bidder. **(BDS-ITB 14.7)**
Information on the tax obligations in the Employer's Country can be found at <http://www.mof.gov.tl/>
- The unit rates and the prices shall be quoted by the Bidder entirely in: **United States Dollars**.
Payments shall be made in: **United States Dollars (US\$)**. **(BDS-ITB 15.1)**

Evaluation and Qualification Criteria

- ❖ The evaluation will be in **two (2) stages**.
 1. **Technical Bids Evaluation - First Stage**
 2. **Price and Combined Bids Evaluation - Second Stage**
- ❖ **Technical Bids Evaluation:**
 - **First Phase:** determination of the Bidder's compliance to the basic bidding criteria and eligibility requirements to be undertaken on a **"Pass or Fail"** basis.
 - **Second Phase:** The second phase in the evaluation process is the evaluation of Technical Bids and this shall be undertaken in accordance with the technical evaluation criteria, sub-criteria, and scoring system specified below. The maximum technical score is **100 points** and the passing Technical Score for bidder qualification is **75 points**. Only those Bidders who passed in the First stage of evaluation shall be considered further in the Second Stage of Technical evaluation.
- ❖ **Price and Combined Bids Evaluation – Second Stage:**

The second stage will be the evaluation of the combined (Technical and Price) **all the Bidders which achieved the minimum passing technical score** based on the result of the first stage evaluation above.

Evaluation and Qualification Criteria

- ❖ To determine the “price point”, the lowest evaluated price bid (X) will automatically score maximum 100 points. All other price bids receive points in inverse proportion according to the following formula:
- ❖ **$Pt = 100(X/Z)$**
- ❖ Where:
- ❖ Pt = Price points for the **Price Bid** being evaluated
- ❖ 100 = maximum number of points for the **Lowest Evaluated Price Bid**
- ❖ X = price of the **Lowest Evaluated Priced Bid**
- ❖ Z = price of the **Bid Being Evaluated**
- ❖ Finally, the Bids are ranked according to their combined technical and price scores using the following formula and weights:
- ❖ **Formula:**
- ❖ **Final Ranking = Technical Score x T% + Price Score x P%.**
- ❖ Where:
- ❖ Technical Weight = **T = 60**
- ❖ Price Weight = **P = 40**

Technical Bid Evaluation – First Phase: “Pass or fail” basis

Criteria Requirement	Compliance Requirements			Documents	Weight	
	Single Entity	Joint Venture		Submission Requirements		
		All Partners Combined	Each Partner	One Partner		
Site Organization						
Bidders shall submit an organization chart showing the proposed management, supervisory, support and reserved staff to be employed for all construction operations. The site organizational chart should represent the contractor's site layout and planning and contractor's organization for maintaining safety, quality control standards and temporary facilities required for the project.	Must meet requirements	Must meet requirements	N/A	N/A	Form TP-1	5
Method Statement						
Construction Method Statement should reflect a roadmap for safely and efficiently completing the project while managing risks and maintaining quality control. It should be tailored according to the project specific information, scope of work, key activities, work methodology, site conditions survey, program of work, financial program and compliance to existing labor laws and standard.	Must meet requirements	Must meet requirements	N/A	N/A	Form TP-2	5
Mobilization Schedule						
Mobilization Schedule outlining the site installation plan, mobilization and demobilization of resources in coincidence with site organization. It ensures that initial project planning and pre-mobilization will be done properly to start the construction process efficiently and on time. The contractor shall not carry out mobilization to site unless the engineer gives consent that appropriate measures are in place.	Must meet requirements	Must meet requirements	N/A	N/A	Form TP-3	5

Technical Bid Evaluation – Second Phase: Detail Technical Evaluation (Tender/170/MOP-2024) & (Tender/174/MOP-2024)

Criteria	Compliance Requirements				Documents	Weight
Requirement	Single Entity	Joint Venture			Submission Requirements	
		All Partners Combined	Each Partner	One Partner		
Construction Schedule						
Construction Schedule, covering the entire construction in MS Project format showing the schedule and sequence of major work activities, project milestones and critical path. The schedule includes a list of all the activities that need to be completed and the timeframe for each activity. Projected works for surveys, investigations, working and works during defects liability period.	Must meet requirements	Must meet requirements	N/A	N/A	Form TP-4	5
Local Development Statement						
Bidder must submit a Local Development Statement clearly stating the Contractor's commitment to create local jobs (i.e., skilled and unskilled personnel including admin staff, clerk, drivers, security, cleaners, as well as other staff involved in the execution of the project and included in the contractor's payroll), identify the estimated number of Timorese personnel to be employed, maximize the use of local materials, and present a detailed plan for capacity building of Timorese personnel. The local participation content requirement should be at least 10% of the total bid price and is confirmed in this statement. Local participation that is more than 10% will obtain a higher score.	Must meet requirements	Must meet requirements	N/A	N/A	Form TP-5	5
Environmental and Social Management						
The bidders shall submit proposed comprehensive and concise environmental and social management strategies and implementation plan to be adopted on all construction operations. These details shall include a description of supervision arrangements to monitor environmental and social management strategies in managing the noise and vibration, health and safety, aggregate extraction, solid waste management, traffic management, hazardous waste handling, community disruption during construction activities, sexual exploitation and abuse prevention and implementation plan of STI, STD and HIV/AIDS alleviation program and staff to be employed having specific Environmental and Social Management responsibilities.	Must meet requirements	Must meet requirements	N/A	N/A	Form TP-6	5

Conditions of Contract

- The Intended Completion Date for the whole of the Works shall be **Eighteen (18) months** for TENDER/170/MOP-2024 and **Twelve (12) months** for TENDER/174/MOP-2024 (GCC-PCC 1.1 (v))
- **The Defects Liability Period is: 365 Days (GCC-PCC 43.1)**
- **Payments (GCC 50.1)**
Payments shall be adjusted for deductions for advance payments and retention. The Employer shall pay the Contractor the amounts certified by the Engineer within 60 days of the date of each certificate
- **The Performance Security amount is: Five Percent (5%) of the Accepted Contract Amount or 10% (Ten percent) of the Accepted Contract Price for Abnormally Low Bid. (GCC-PCC 59.1)**
- If the bank issuing Performance Security is located outside Timor-Leste, it shall be counter-guaranteed by a bank in Timor-Leste.
- The guarantee is presented by the bidder at least five days before signing the contract.

Conditions of Contract

20

- **Percentage of Retention as a Quality guarantee. (GCC – PCC 55.1)**

The percentage of retention is 5% of Accepted Contract Amount.

The percentage of retention is 10% of Accepted Contract Amount if the award falls on a bid that contains an abnormally low price.

Quality collateral preferably takes the form of withholding the price, and may also take the form of a bank guarantee, which must be autonomous, irrevocable and upon first request, or a cash deposit. The term of validity of the quality guarantee is of one year from the end of the period for performing security.

- **Liquidated Damages (GCC – PCC 56.1)**
 - The liquidated damages for the whole of the Works are **0.05% of the final Contract Price per day.**
 - The maximum amount of liquidated damages for the whole of the Works is **20% of the Contract Price.**

Conditions of Contract

- The Advance Payments shall be: **(GCC – PCC 58.1)**
Fifteen Percentages (15%) of the Accepted Contract Amount.

“The Contractor shall obtain (at the Contractor’s cost) an Advance Payment Guarantee in amounts and currencies equal to the advance payment, and shall submit it to the Employer with a copy to the Engineer. If the bank issuing Advance Payment Guarantee is located outside Timor-Leste, it shall be counter-guaranteed by a bank in Timor-Leste.”

The guarantee is effective 30 days beyond the duration of the contract.

The contractor loses the right to return the deposit when:

- a) Does not fully comply with the contractual provisions for reasons attributable to it;
- b) There is an early termination of the contract for reasons attributable to it;
- c) Do not renew the deposit until 30 days before the end of the respective term.

Conditions of Contract

- **Repayment of the Advance Payments shall be:** advance payment shall be repaid through percentage deductions from payments otherwise due to the Contractor. Deductions shall commence in the next Payment Certificate following that in which the total of all payments certified to the Contractor has reached thirty percent (30%) of the Contract Price less Provisional Sums and , and shall be made at the rate of thirty percent (30%) of the amount of all Payment Certificates in the types and proportionate amounts of currencies of the Advance Payment until such time as the Advance Payment has been repaid; always provided that the Advance Payment shall be completely repaid prior to the time when 80 percent of the Contract Price has been certified for payment. **(GCC – PCC 58.3)**
- Maximum allowable accumulated value of work subcontracted (as a percentage of the Accepted Contract Amount) is **30%**. **(Additional Clause)**

THANK YOU!

COMISSÃO NACIONAL DE APROVISIONAMENTO

INVITATION FOR BIDS	ANÚNCIO DE CONCURSO
TENDER/170/MOP-2024 Date: 19 December 2024	TENDER/170/MOP-2024 Data: 19 de Dezembro de 2024
<p>1. In accordance with paragraph a) (1) article 43.^o, article 44.^o, (2) article 73.^o from de Decreto-Law no. 22/2022, May 11th, amended by the Decree-Law no. 14/2023, April 12^o the National Procurement Commission (NPC), as instructed by the Employer – Ministry of Public Works (MPW) - is inviting interested eligible international and national companies to submit bids for the:</p> <p>Rehabilitation of Road Fohorua to Leogore (Maucatar) Sta. 0+000 – 7+000 (7KM), in Covalima Municipality.</p> <p>2. The project is located in Fohorua, Suco Oguas – Leogore, Suco Holpilat Maucatar, Covalima Municipality.</p> <p>3. The bidding shall be conducted with Single Stage-Two Envelopes Procedure, wherein the Technical Bid and Price Bid shall be submitted together in separately sealed envelopes.</p> <p>4. Participation in this bidding process is open to all interested international and national bidders. The attention of interested bidders is drawn to the key qualification and award criteria detailed in the Bidding Document, which include:</p> <p>a.
