<b>S.N.</b>	<b>Questions</b>	<b>Responses</b>
1.	Will the Clarification and Amendment be published in website or not?	The Clarification and Amendment be published at the following websites:  www.cna.gov.tl, www.mof.gov.tl, www2.dgmarket.com & www.devex.com
2.	Please note that the scores are not allocated for national experts in the APPENDIX 1 – SUMMARY EVALUATION SHEET (SES), please clarify whether we need to submit the CVs of national experts with the technical proposal.	The submission of CVs for national experts is not mandatory but preferable in this proposal due to their exclusion from the current technical evaluation.  The selected consultant should provide the CVs of national staff before contract negotiation.
3.	ITC Claus Reference of 16.3 and 25 of Data Sheet indicate that “Consultants should add all taxes, profits, duties and other expenses into their financial proposal and the consultant shall pay local taxes without reimbursement by the Employer” Kindly let us know the taxes will be taken to the evaluation or the Tax Estimates shall be discussed and finalized at the contract negotiations if the Contract is awarded.	The consultant should add taxes in their proposed rates. The evaluation of financial proposal will be done inclusive of taxes.  Refer to ITC 16 Please check the website <a href="http://www.mof.gov.tl/">http://www.mof.gov.tl/</a> for any tax obligation that consultants might add in to their financial proposal.
4.	Please note that 5% of the score of key experts are allocated for Experience in Timor-Leste or similar region in the APPENDIX 2 – PERSONNEL EVALUATION SHEET (PES), please clarify whether the experience in Sri Lanka will be considered under similar region?	The Employer considers countries within Timor-Leste or South East Asia or Developing Countries.
5.	Please Clarify that whether the defect liability maintenance is included in the scope of services of consultant, if so duration of defect liability period.	Please refer to GCC 14.1 – Special Conditions of Contract
6.	The RFP indicate that the Site Office will be provided thought civil works contract. Please Clarify whether vehicles for the consultant also will be provided through civil works contract if so, how many.	The office and one vehicle will be provided through Civil Works Contract.

S.N.	Questions	Responses
7.	Is it need to propose different key experts for these two irrigation projects.	<p>Certainly, it is essential to have distinct international and national experts for each position relevant to the application process. Given that there are two irrigation projects scheduled to occur simultaneously in different municipalities, consultants must propose separate key experts tailored to each of these projects.</p> <p>This approach ensures alignment with project-specific requirements, higher score and enhances the overall effectiveness of project implementation.</p>
8.	Section 7 of the Terms of Reference specifies that consultants are required to provide three units of motorcycles (150cc), including fuel and maintenance. Could you clarify whether these motorcycles are intended for National Experts? Additionally, what arrangements are in place regarding vehicles for International Experts?	<p>Please note that one vehicle (4x4) will be provided to the consultant through Civil Works Contract.</p> <p>The Consultant should arrange three units of motorcycles (150cc), including fuel and maintenance for its staff.</p>
9.	Due to the workload that consultant might face in the field and it may imply that the consultant has difficulties to organize Training Courses for MAF Irrigation Staffs. Therefore, how the project owner solve this issue.	The training course for MAF Irrigation Staff will not cover the entire supervision period. The schedule for the training course must be submitted by the selected consultant to the MAPPF for approval.
10.	What are scope materials for the training course?	The scope materials will be covering the irrigation scheme but also needed to submit it to MAF for approval.
11.	There is no Drafting position in National Experts so the supervisor 1 or supervisor 2 will do the job require?	The work will be covered by Irrigation Engineer (International expert) and national experts, if necessary.
12.	Can the contract engineer have the degree in quantity engineer?	Referring to Section 7. TOR the qualification for Contract Engineer shall hold a university degree in Civil Engineering.
13.	The consultants suggest to the project owner to add quantity engineer in National Experts.	It is not necessary to add the Quantity Engineer.
14.	Please note that the RFP indicate that the payment will be paid to the Construction Supervision Consultant in accordance with the progress of works, work phases and deliverables. Please note that our financial proposal is on the basis of Lump Sum for the construction supervision of 36 months and defect liability maintain of 12 months, in case the progress of work delayed beyond our	<p>No change.</p> <p>Please refer to the Payment Schedule provided in the GCC 41.2 (Special Conditions of Contract).</p>

### QCBS Only

The lowest evaluated Financial Proposal (Fm) is given the maximum financial score (Sf) of 1000.

The formula for determining the financial scores (Sf) of all other Proposals is calculated as follows:  
 $Sf = 1000 \times Fm / F$ , in which “Sf” is the financial score, “Fm” is the lowest ETP Evaluated Total Price (ETP), which is equal to the Adjusted Total Price (ATP) less the Non-competitive Component, i.e., provisional sums and contingency; and “F” is the ETP of the proposal under consideration.

The weights given to the Technical (T) and Financial (P) Proposals are:

**T = 80, and P = 20**

Proposals are ranked according to their combined technical (St) and financial (Sf) scores using the weights (T = the weight given to the Technical Proposal; P = the weight given to the Financial Proposal; T + P = 1) as following:

$S = St \times T\% + Sf \times P\%$ .
