

**CONSULTING SERVICE FOR THE DESIGN OF REMEDIAL MEASURES AT  
LOCATIONS TO BE REHABILITATED ALONG MANATUTO – LACLUBAR –  
NATARBORA ROAD**

**EOI/083/MOP-2024**

**CLARIFICATION NO. 1**

**05 December 2024**

No.	Queries	Responses
1.	We refer to ToR for the above EOI. As per Paragraph-4, "Implementation arrangement is attached in Appendix B" - refer extract below for ready reference. However, we did not find Appendix-B. We would appreciate if you could share with us the Appendix B for our reference.	This is a typo error. All the required information is documented in the issued TOR.
2.	Secondly, ToR mentions detailed design for 48 locations of failure – see extract below; however, the Project Road Manatuto to Natarbora is about 81 km long and the locations of these 48 sections within Project Road Manatuto to Natarbora is not clear and also extent / details of distress is not known. Kindly share the details of distresses/ failures at 48 locations and their chainages/ locations along the Project Road.	The scope of Detailed Engineering Design is documented under Article 2 (Scope of Work) and Article 3 (Detailed Tasks).

**Invitation to Submit Expression of Interest for Design of remedial measures at locations to be rehabilitated along Manatuto – Laclubar – Natarbora Road**

<b>REOI No.:</b>	EOI/083/MOP-2024	<b>Dated:</b>	20 November 2024
<b>Loan and Grant Number:</b>	Grant Number: G0404 - TIM		
<b>Country:</b>	Democratic Republic of Timor-Leste		
<b>Title of Project:</b>	Road Network Upgrading Sector Project (RNUSP)		
<b>Assignment Name:</b>	Consulting Service for the Design of remedial measures at locations to be rehabilitated along Manatuto – Laclubar – Natarbora Road		
<b>Executing Agency (EA):</b>	Council of Administration for the Infrastructure Fund (CAFI)		
<b>Implementing Agency (IA):</b>	Ministry of Public Works (MPW)		

**Brief Project Description**

The Government of Democratic Republic of Timor-Leste has requested ADB financing for the consulting Service for the Design of remedial measures at locations to be rehabilitated along Manatuto – Laclubar – Natarbora Road.

**Consulting Services**

Consultant is expected to have experience in the detailed engineering design of road projects. The consultant is further expected to have appropriate experience in providing consulting services for the implementation of road projects in a similar environment. Since knowledge of local conditions would be beneficial, international consulting firms are encouraged to associate with local companies or individuals with the relevant expertise.

Estimated time-input of key experts (International) is 16 person-months and estimated time-input of non-key experts (National) is 25 person-months. The Terms of Reference for the consulting services is attached for ready reference.

A consulting firm will be selected following Quality and Cost Based Selection (**QCBS – 80:20**) method in accordance with the [2013 Guidelines on the Use of Consultants by Asian Development Bank and its Borrowers](#)

Interested consulting firms must provide information indicating that they are qualified to perform the services. The consulting firms may associate with other international and national firms to enhance their qualifications.

The Consultant EOI shall demonstrate **technical competence, experience with multilateral Development Agencies** and **geographical experience** (Developing Countries in Particularly Asia Pacific) based on project references as well as **management competence**. Please select most relevant road design projects where the value of the Consultant's participation under each contract meets or exceeds **USD 350,000** and completed within **last 10 years** to demonstrate the firm's competence (**submission of maximum 10 projects**). The Consultant describes standard policies, procedures, and practices that your entity has to assure quality interaction with clients and outputs. Please state if your company is ISO certified.

### IX GOVERNO CONSTITUCIONAL

Comissão Nacional de Aproveitamento

#### Implementation Period

It is expected that the work time schedule for this design is 6 months for submission of new detailed engineering design.

#### EOI Submission

This Request for Expression of Interest (REOI) notice along with the TOR and other project documents is available at ADB's Consulting Services Recruitment Notice (CSRN) (<http://csrnl.adb.org>). This advertisement is also available at the National Procurement Commission – Timor-Leste ([www.cna.gov.tl](http://www.cna.gov.tl)), Ministry of Finance - Timor-Leste (<https://www.mof.gov.tl>), Devex (<https://www.devex.com>) and dgMarket (<http://www.dgmarket.com>) websites and two local newspapers.

The MPW through the National Procurement Commission (NPC) now invites eligible consultants to submit EOIs on-line using a standard template provided in CSRN. EOI standard template is available at ADB's website <https://www.adb.org/documents/recruitment-firms-individual-consultants-executing-agencies>.

The EOI shall only be submitted online through ADB's Consultant Management System (<http://cms.adb.org>). The deadline for the submission is **11:59 PM (Manila Time) on 19 of December 2024**.

Only the shortlisted firms will be invited to submit a proposal for the consulting services. The names and addresses of shortlisted firms will be published on the ADB and government websites as mentioned above.

#### Additional Information

Additional information can be obtained from the NPC at the address given below during working hours from 09:00 to 17:00 (Monday to Friday). The NPC would try to provide expeditiously the additional information requested but any delay in providing with such additional information may not be considered as a reason for extending the deadline for submission of EOI.
